Membership Drive - October 2018 thru March 2019

MEMBER REFERRALS - each member referring a new member will go into a drawing for \$50.00 or \$150.00.

The new member will also go into the same drawing if their account is active and in good standing (minimum balance of \$50.00 maintained through the membership drive period). There will be one drawing for \$50.00 for these members.

If the new member is using any of our **"qualifying"** services, the new member and the referring member will be entered into a drawing for \$150.00. There will be two of these drawings.

"QUALIFYING" services would be a loan (must be in good standing at the time of drawing), a savings account maintaining a \$50.00 balance with a *qualifying direct deposit or a checking account with a *qualifying direct deposit and consistent activity -deposits, withdrawals, check or debit card activity and maintaining a good standing.

* Direct deposits to savings or checking must have a minimum of one direct deposit per month to be considered qualifying.

The drawings will be held June 17, 2019.
